

## The Walk: 3 hours; 11k

The full walk starting from Griff House (1) involves walking on road in heavy traffic on Gipsy Lane (2); a scramble down a bank to the canal; very narrow and overgrown path on the bank of Coventry canal after Turn Over Bridge (3). More accessible stretches of hard-surfaced pedestrian paths run from Griff Hollows via Bermuda Rail Station, into the Arbury Estate (4).

Sections of the walk follow the waymarked Centenary Way. The walk can be extended to connect with the North Arden Heritage Trail at Astley. Nuneaton Museum and Library in the town centre have important collections of material relating to George Eliot.
